Shutterfold Pencil Pattern

RWP (Real World Print) and Foldables®

The colored pencils on the poster above were made using 8.5"x11" colored paper folded into long Shutterfolds. Download and print the pattern supplied on this page to make the pencil erasers and pencil points. Students collect color words and words relating to color used in common phrases, such as "red hot" or "once in a blue moon" and glue them inside the appropriate Shutterfold.
